Intervention Used	Behavior Displayed	Antecedent Event	Intervention Result	Antecedent Strategies
Wait Training	Physical Aggression	Denied access to item/activity	Behavior ceased in <2 mins	First-Then Contingency
Planned Ignoring	Self-Injurious Behavior	Non-preferred demand	Behavior continued for 10+ mins	Access to Alt./Competing Items
Guided Compliance	Verbal Aggression	Low activity engagement	Behavior continued and increased	Utilize Activity/Daily Schedule
Response Blocking	Non-compliance	Action self-soothing/stimulatory	Behavior continued but decreased	Prompt Functional Communication
De-esclation Protocol	Tantrum	Transition between activity/location	Required additional support	Utilize Visual Aids
Elopement Protocol	Property Destruction	Not being provided direct attention	Other:	Provide Choices
Redirection	PICA	Provided correction or criticism		Provide Transition Warning
